**MADE FOR
OUTDOOR LIFE**

At Palmiye, we believe in enhancing people's lives through innovative outdoor solutions, making daily life easier and better. For over 25 years, we have been building innovative systems which are at the crossroads of art and science. Engineering and creativity. Global knowledge and client focus. Craft, quality, freedom of choice, and custom-made solutions that are sustainable. We do this in ways that endure and stand the test of time. Reflecting our commitment to creating a lifestyle

Made For Outdoor Life.

Your Ride, **SHELTERED IN STYLE.**

A multifunctional addition for your car with a fixed aluminium roof, suitable for all types of buildings.

Crafted with precision and durability in mind, this versatile structure serves as more than just a car accessory. It seamlessly integrates into residential, commercial, or industrial settings, offering a sleek and contemporary design that complements any environment.

ALL-SEASON PROTECTION, YEAR-ROUND COMFORT.

Palmiye's Carport offers year-round protection for your car against rain, sun, and snow, elevating outdoor aesthetics with its sleek, modern design.

Select from two carport types tailored to your local climate for optimal weather resistance and style.

Rain or Shine, WE'VE GOT YOU COVERED.

Carport's roof consists of rubberised slats that provide both an airtight and waterproof ceiling. The horizontal beams feature built-in gutters and the corner posts have drainage systems to

effectively direct rainwater from the roof. Full protection for your vehicle can be achieved when you add also side enclosures.

DEFYING WINDS, STANDING STRONG.

Palmiye's Carport is engineered to withstand winds with a speed of up to 117 kilometers per hour, ensuring its durability and stability even in the face of strong wind conditions.
